

Google Classroom

Student View

1. Sign into your Google account.
2. Go to your Google Waffle at www.google.com or on any Google application like Gmail.
3. Click Google Classroom.
4. The Classroom page will show all of the classes your child belongs to.
5. Click To-do to see any upcoming assignments from all classes.
6. Click Calendar to open a Google Calendar that shows all of the assignments in a Calendar format.
7. Click your class to open the correct classroom.

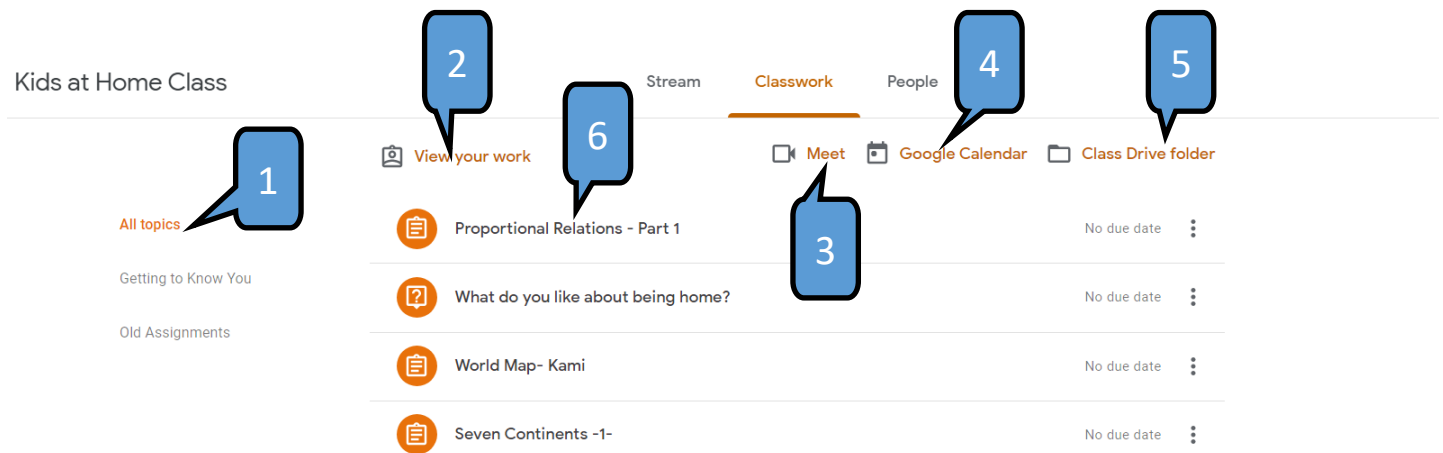

The Classroom

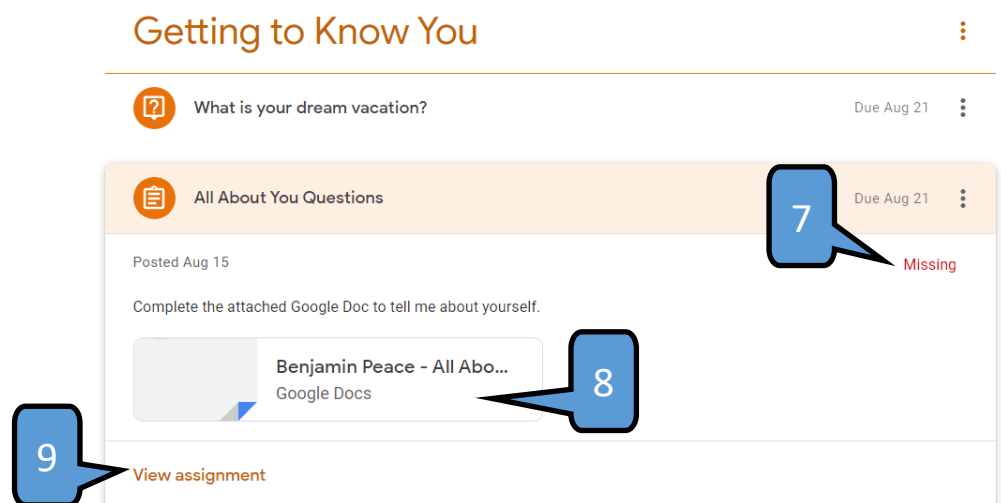

1. The stream is typically news from your teacher. Sometime students can share to the stream. Please do not share to the stream without permission.
2. Classwork is where you will find your assignments.
3. People is where you can find all of the people who belong to the same class. You can email your teacher from here.
4. When your Meet link is on, you will find it here. Click this to open your Google Meet.

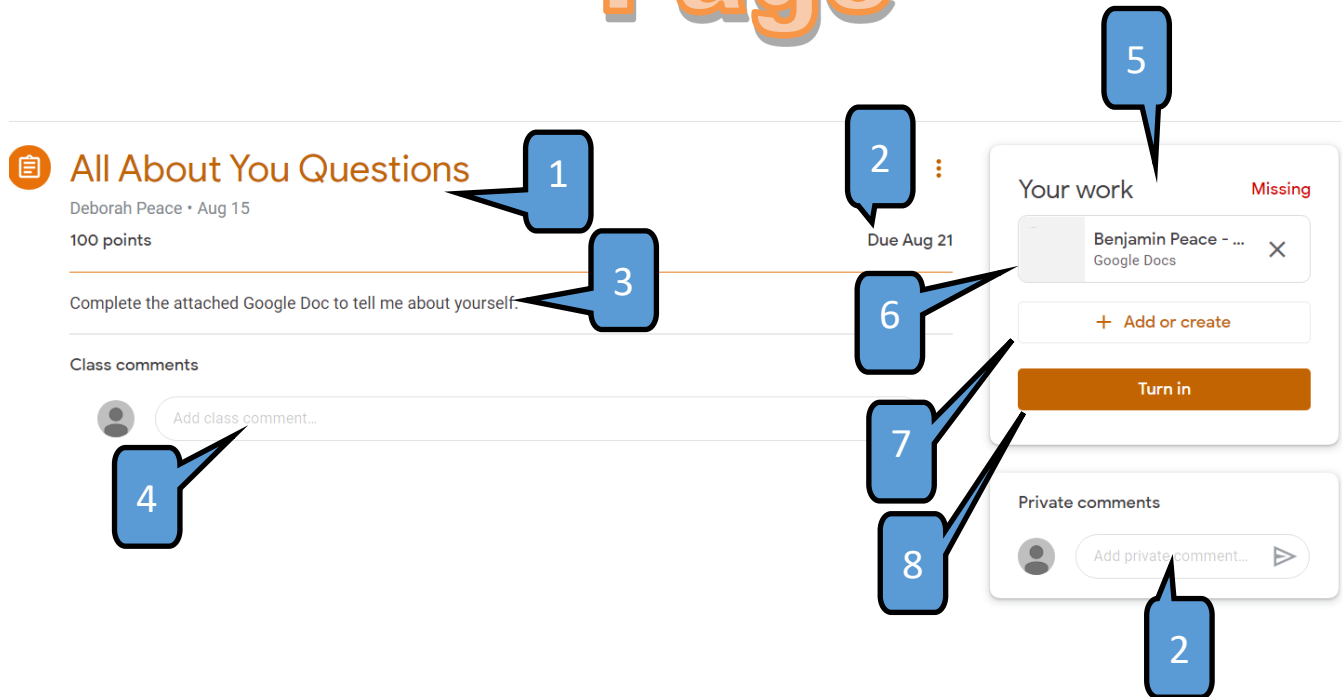

Classwork

1. You can click a specific topic to see assignments only for that topic.
2. Click view your work to see the status of all assigned work.
3. Click Meet to go to the Google Meet for your Class.
4. Click Google Calendar to see the classwork in a calendar format.
5. Click Class Drive Folder to see all of your files for the class.
6. Click an assignment to open the assignment options menu.
7. Assignment status is in the right corner of the assignment window.
8. Click the document or attachments shown if you want to open one of them.
9. Click View Assignment to the entire assignment.

The Assignment Page

1. The title of the assignment is as the top along with the number of points.
2. The due date is here.
3. Teacher directions will be found here.
4. If you want to share a comment with the class about this assignment, enter it here.
5. All of the student parts of the assignments are here at the right.
6. You can select the attachments to open them.
7. You can add a document or create a new one depending on your teacher's directions here.
8. Click Turn In to submit the assignment. Assignments that are turned in can be unsubmitted by the student at this same place.
9. Send a private comment to the teacher using this box.
